WELCOME

Our 7th Annual on Property Bull Sale will be held on the 12th of July 2023 where we will offer up 62 bulls, with nineteen Millah Murrah Nectar N334 sons to be offered this year. Nectar sons have topped our last two sales at \$30,000, with a son topping the Millah Murrah record breaking sale at \$160,000. He is continuing to breed extremely well, excelling in structure, doing ability and phenotype. His females are very impressive, with his first daughters having bulls in this years sale.

Seventeen sons of Peakes Bowen Black Pearl P645 sell. He will add growth while still retaining those easy doing traits.

Five sons of Spicklers Powerpoint sell, he has been a dominant sire in our herd for many seasons. These will be the last Powerpoints to sell at Heart Angus.

Other sires to feature are Chiltern Park Moe (7 sons), Heart P48 (5 sons), Musgrave Exclusive (2 sons), GAR Reliant (2 sons), LD Capitalist (2sons).

We are extremely happy with the overall presentation and performance of this draft of sale bulls.

OUR NAME

Our stud name Heart Angus comes from the brand of the upside down heart over the dumbbell that was handed down through the family from Chris' Great Grandmother Alice May Paterson from the property 'The Glen' at Dyers Crossing.

BREEDING GOALS

Simply, our aim is to produce productive cattle to suit all markets.

Having a functional cow herd base concentrating on doing ease, fertility, structural soundness and carcass to provide our clients with bulls that further their programs to suit markets and generate greater profit.

We use a combination of Australian and US genetics through our extensive AI and ET programs to improve the consistency across our herd while still believing in the investment of high quality back-up sires.

We are continually seeking to look at new genetics throughout Australia when able Chris will continue taking trips to the USA to view suitable genetics.

DIRECTIONS

From Tamworth - 10km south of AELEC on New England Highway, Sandown is on your right.

From Dungowan - turn left at Dungowan Pub then right onto Duri/Dungowan Rd, at Recreational Ground follow through to New England Hwy, turn left travel for a further 2km Sandown on your right.

From South - approx. 4km north of Goonoo Goonoo Station on your left.

SALE DETAILS

Inspections

Sale bulls may be inspected by prior arrangement with the vendor. All lots will be penned for inspection at 10am on sale day. Sale will commence at 1pm. NO children in pens.

Additional Information

A supplementary sheet will be available on the day providing weights, scrotal measurement and any additional relevant information

Fertility

All bulls have been semen tested.

Registration

A card registration system will be used, please allow yourself time prior to the sale to register. Your PIC number will be required. The sale will be conducted under normal auction conditions.

GST

All animals are sold exclusive of GST.

Rebate

2% rebate to outside agents introducing buyers in writing 24hrs prior to sale and settling on their behalf in 7 days of the date of invoice.

Phone Bidding

Mobile phone bidding can be arranged.

Auctions Plus

Our sale will be interfaced with Auctions Plus, with photos and videos of bulls available.

Insurance

It will be the responsibility of buyers to insure their bulls, there will be options on sale day.

Transport

There will be stock transport options available on the day.

Taking Delivery

Upon taking delivery of your purchase/s it is important to remember that our bulls have been running in mobs since weaning. Arriving in a new environment can be quite traumatic so we recommend on arriving home you have some other cattle in the yards to ease him into his new surroundings.

Angus Australia Registration Transfer

Upon request we will conduct transfer of Ownership with Angus Australia.

Semen Rights

Heart Angus reserve to right to collect semen for in herd use from any bull listed in the catalogue. This will be at the vendors expense and the buyers convenience.

Catering

Refreshments will be available on the day, along with a complimentary BBQ lunch.

DISCLAIMER AND PRIVACY INFORMATION

Attention Buyer

Animal details included in this catalogue, including but not limited to pedigree, DNA information, Estimated Breeding Values (EBVs) and Index values, are based on information provided by the breeder or owner of the animal. Whilst all reasonable care has been taken to ensure that the information provided in this catalogue was correct at the time of publication, Angus Australia will assume no responsibility for the accuracy or completeness of the information, nor for the outcome (including consequential loss) of any action taken based on this information.

Parent Verification Suffixes

The animals listed within this catalogue including its pedigree, are displaying a Parent Verification Suffix which indicates the DNA parent verification status that has been conducted on the animal. The Parent Verification Suffixes that will appear at the end of each animal's name.

The suffix displayed at the end of each animal's name indicates the DNA parentage verification that has been conducted by Angus Australia.

PV : both parents have been verified by DNA.

SV : the sire has been verified by DNA.

DV : the dam has been verified by DNA.

: DNA verification has not been conducted.

E : DNA verification has identified that the sire and/or dam may possibly be incorrect, but this cannot be confirmed conclusively.

Privacy Information

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances. If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must complete the form included below and forward it to Angus Australia. If the form is not completed, the buyer will be taken to have consented to the disclosure of such information.

BUYERS OPTION TO OPT OUT OF DISCLOSING PERSONAL INFORMATION TO ANGUS AUSTRALIA

If you do not complete this form, you will be taken to have consented to Angus Australia using your name, address and phone number for the purposes of effecting a change of registration of the animal(s) that you have purchased, maintaining its database and disclosing that information to its members on its website.

I, the buyer of animals with the following idents.....

.....(name) do not consent to Angus Australia using my name, address and phone number for the purposes of effecting a change of registration of the animals I have mentioned above that I have purchased, maintaining its database and disclosing that information to its members on its website.

Name: Signature:

Date:

Please forward this completed consent form to Angus Australia, 86 Glen Innes Road, Armidale NSW 2350.

If you have any questions or queries regarding any of the above, please contact Angus Australia on (02) 6773 4600 or email office@angusaustralia.com.au

This years sale features 19 Nectar sons and the first of his grandsons. A son topped at \$160,000 at Millah Murrahs 2022 world record sale. Sons have topped our last two sales. His female progeny continue to impress and will play a big part in Heart Angus moving forward. He continues to excel in structure doing ability, gestation length and phenotype.

REFERENCE SIRES

Millah Murrah Rolls Royce R275

We purchased **MILLAH MURRAH ROLLS ROYCE R275** at the 2021 Millah Murrah Bull Sales for a then record yearling price of \$110,00. Rolls Royce exhibits genuine B muscle shape with an impressive top line and soft finish. He is very docile, has a real stud sire presence and walks on excellent feet and legs.

Comments: Start of another great run of Nectar sons. A Nectar son topped the Millah Murrah world record breaking 2022 sale at \$160,000 and sons have also topped sales in WA. Dam K15 is one of the best cows we have bred and her Dam E60 is our first and only herd matriarch, purchased from Millah Murrah in 2013. S83 is identically breed to Lot 4 and 41 and Lot 5 is closely related. Typical Nectar front, long, moves well with lateral thickness. Stud Sire prospect.
