WELCOME

Our 8th On Property Bull Sale will consist of 64 quality sires. With the first sons from the \$110,000 Millah Murrah Rolls Royce R275 to sell, 19 in total catalogued. Rolls Royce is breeding particularly well adding length, muscle and outstanding docility. This will be our last offering of Nectar sons, with 9 catalogued. His daughters are some of the best females in our herd. Nectar's positive influence on our herd will always be something we are very proud of. His sons have topped our last 3 sales. Heart P48 has 11 impressive sons to sell, they are deep bodied with extra bone. Heart R21 breeds deep sided, easy doing thick cattle with 5 included in this year's sale. Other sires featured are Chiltern Park Moe with 3 sons, Peakes Bowen Black Pearl P645 with 9 sons, Millah Murrah Paratrooper P15 with 2 sons, Millah Murrah Rocketman 1 son and the NZ bull Taimate Lazarus with 2 sons.

We are impressed with the evenness of this year's sale line-up.

OUR NAME

Our stud name Heart Angus comes from the brand of the upside down heart over the dumbbell that was handed down through the family from Chris' Great Grandmother Alice May Paterson from the property 'The Glen' at Dyers Crossing.

BREEDING GOALS

Simply, our aim is to produce productive cattle to suit all markets. Having a functional cow herd base concentrating on doing ease, fertility, structural soundness and carcass to provide our clients with bulls that further their programs to suit markets and generate greater profit.

We use a combination of Australian and US genetics through our extensive AI and ET programs to improve the consistency across our herd while still believing in the investment of high quality back-up sires. We understand the need for new genetics so are continually seeking to look for these throughout Australia and overseas. Chris and Jye travelled to the US in 2022 and we will again be making the journey in September this year.

DIRECTIONS

From Tamworth - 10km south of AELEC on New England Highway, Sandown is on your right.

From Dungowan - turn left at Dungowan Pub then right onto Duri/Dungowan Rd, at Recreational Ground follow through to New England Hwy, turn left travel for a further 2km Sandown on your right.

From South - approx. 4km north of Goonoo Goonoo Station on your left.

SALE DETAILS

Inspections

Sale bulls may be inspected by prior arrangement with the vendor. All lots will be penned for inspection at 10am on sale day. Sale will commence at 1pm. NO children in pens.

Additional Information

A supplementary sheet will be available on the day providing weights, scrotal measurement and any additional relevant information

Fertility

All bulls have been semen tested.

Registration

A card registration system will be used, please allow yourself time prior to the sale to register. Your PIC number will be required. The sale will be conducted under normal auction conditions.

GST

All animals are sold exclusive of GST.

Rebate

2% rebate to outside agents introducing buyers in writing 24hrs prior to sale and settling on their behalf in 7 days of the date of invoice.

Phone Bidding

Mobile phone bidding can be arranged.

Auctions Plus

Our sale will be interfaced with Auctions Plus, with photos and videos of bulls available.

Insurance

It will be the responsibility of buyers to insure their bulls, there will be options on sale day.

Transport

There will be stock transport options available on the day.

Taking Delivery

Upon taking delivery of your purchase/s it is important to remember that our bulls have been running in mobs since weaning. Arriving in a new environment can be quite traumatic so we recommend on arriving home you have some other cattle in the yards to ease him into his new surroundings.

Angus Australia Registration Transfer

Upon request we will conduct transfer of Ownership with Angus Australia.

Semen Rights

Heart Angus reserve the right to collect semen for in herd use from any bull listed in the catalogue. This will be at the vendors expense and the buyers convenience.

Catering

Refreshments will be available on the day, along with a complimentary BBQ lunch.

Angus Australia Disclaimer and Privacy Information

Attention Buyer

Animal details included in this catalogue, including but not limited to pedigree, DNA information, Estimated Breeding Values (EBVs) and Index values, are based on information provided by the breeder or owner of the animal. Whilst all reasonable care has been taken to ensure that the information provided in this catalogue was correct at the time of publication, Angus Australia will assume no responsibility for the accuracy or completeness of the information, nor for the outcome (including consequential loss) of any action taken based on this information.

Parent Verification Suffixes

The animals listed within this catalogue including its pedigree, are displaying a Parent Verification Suffix which indicates the DNA parent verification status that has been conducted on the animal. The Parent Verification Suffixes that will appear at the end of each animal's name.

The suffix displayed at the end of each animal's name indicates the DNA parentage verification that has been conducted by Angus Australia.

PV: both parents have been verified by DNA.

SV: the sire has been verified by DNA.

DV: the dam has been verified by DNA.

#: DNA verification has not been conducted.

E: DNA verification has identified that the sire and/or dam may possibly be incorrect, but this cannot be confirmed conclusively.

Privacy Information

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances. If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must complete the form included below and forward it to Angus Australia. If the form is not completed, the buyer will be taken to have consented to the disclosure of such information.

Buyers option to opt out of disclosing personal information to Angus Australia

If you do not complete this form, you will be taken to have consented to Angus Australia using your name, address and phone number for the purposes of effecting a change of registration of the animal(s) that you have purchased, maintaining its database and disclosing that information to its members on its website.

I, the buyer of animals with the following idents _____

from member _____ (name) do not consent to Angus Australia using my name address and phone number for the purposes of effecting a change of registration of the animals I have mentioned above that I have purchased, maintaining its database and disclosing that information to its members on its website.

Authorised Name: _____ Signature: _____

Date: _____

Please forward this completed consent form to Angus Australia, 86 Glen Innes Road, Armidale NSW 2350

REFERENCE SIRES

Millah Murrah Rolls Royce R275

We purchased Millah Murrah Rolls Royce R275 at the 2021 Millah Murrah Bull Sale for a then record yearly price of \$110,000. Rolls Royce has 19 sons catalogued in this year's sale. He is breeding extremely well for us. Rolls Royce adds length, thickness and his docility is great and his females are as good as their brothers.

REFERENCE SIRES

Millah Murrah Nectar N335

This will be the last chance to buy direct Nectar sons at Heart Angus. Nectars progeny excels in structure, doing ability, gestation length and phenotype. Nectar has 2 sons in AI centres and sons have topped our last 3 sales including \$65,000 for S83 last year to Springwaters Poll Dorset and Angus Stud. He will leave a lasting impression on our herd. 9 sons sell.

Rolls Royce son with extra growth. Dam K36 is a very consistent breeder. T89 has excellent muscle expression. Suitable for Heifers.

Top 20%

Purchased as a calf on mum at the East West Angus dispersal in 2022. Have been unable to verify sire so is unable to be registered with Angus Australia. Based on the cow figures he is a high birth, high growth cow bull. Too good of a bull to leave out of the sale.

NOTES

[illegible]

FUTURE SIRES

In 2022 Chris and Jye travelled to the US on a bull tour. During this tour they selected 4 sires which have been used within our AI and ET programs. Connealy Craftsman, Ellingston Prolific, Sitz Resilient and Myers Fair-N-Square. With calves on the ground the early signs are looking very promising for coming sales. We will have a few bulls by Millah Murrah Stormtrooper S235 as well.

Ellingston Prolific

Connealy Craftsman

Myers Fair-N-Square

Sitz Resilient

HEART ANGUS *Sale Day* 2023

HEART ANGUS

We would like to thank family and friends who help to make our lives easier during sale day.
